The CIEH Level 2 Award in Emergency First Aid at Work is accredited by Ofqual, ensuring that the training course you attend is the highest quality.

Successfully completing the CIEH Level 2 Award in Emergency First Aid at Work course will qualify candidates to become a first aider in their workplace.

This qualification introduces candidates to:

- *The roles and responsibilities of a first aider*
- *The legal requirements for first aid provision*
- *The importance of accurate incident reporting*
- *First aid equipment and its safe use*
- *The need to minimise the risk of infection*
- *The importance of assessing an incident*
- *Undertaking a primary survey*
- *When and how to call for help*

The EFAW training and assessment will cover the following topics:

- *Roles and responsibilities of a first aider*
- *Assessment and management of first aid incidents*
- *Management of an unconscious casualty*
- *Management of a casualty who is not breathing normally*
- *Management of a casualty who is choking*
- *Management of a casualty who has a bleeding injury*
- *Management of a casualty who is in shock*

Assessment is a practical assessment plus a written examination consisting of 15 multiple choice questions
